CREATIVE EXCELLENCE TRAINING

by Toby Harrison – PR Creative, Strategic & New Business Consultant

COURSE OVERVIEW

Creative Excellence Training is a comprehensive six-module training course that via a mix of proven techniques, tips, mindsets and behaviours will boost individual creative confidence and ability in people of all levels, taking agency creative thinking, creative culture and overall ideation to the next level, supercharging brainstorms, increasing the volume of creative concepts receiving client approval and catalysing the winning of both new clients and industry awards

Course modules:

1 | REFRESH YOUR CREATIVE RELATIONSHIP

Module one encourages everyone to consider their own unique relationship with creativity, inspiring them to form positive creative habits via a host of mindsets and behaviours that will set an active and successful foundation for innovation and imagination.

3 | LIFT YOUR BRAINSTORM LEADERSHIP

Module three tackles the leadership of live and virtual brainstorms, revealing essential leadership behaviours, core brainstorming constants, vital must-prepare elements and an executional method that will ensure anyone can pilot consistently brilliant brainstorms.

5 | DEEPEN YOUR IDEA DEVELOPMENT

Module five provides a big boost to the client appeal of ideas by revealing a simple and story-driven development method that anyone can follow to ensure concepts are filtered, questioned, strengthened and honed to perfection.

2 | INCREASE YOUR CREATIVE INDEPENDENCE

Module two focuses on individual creative independence by introducing a unique method and a series of highly effective creative techniques that anyone can use to reveal a variety of stimulus that is guaranteed to inspire ideas for challenges of any scale or sector.

Module four explores the practical elements that are expected of attendees in both live and virtual creative sessions, while introducing a series of before, during and after the brainstorm mindsets and behaviours that will empower everyone to be at their best.

6 | PERFECT YOUR IDEA PRESENTION

The sixth and final module will ensure everyone takes the live and virtual presentation of ideas to the next level via striking slides, strong scripts and stirring delivery style, guaranteeing the audience is not just informed, but entertained and persuaded.
